

Entrepreneurial Mindset Self-Report

(PRE-ASSESSMENT)

Student Instruction: The Entrepreneurial Mindset Self-Report is designed to help you better understand your mindset from the start to the completion of the program.

You will find the survey link for the self-report at the top of your home page in your course. However, please download and complete the PDF of the survey before completing electronically in order to have a copy for yourself and to answer the reflection questions below. Save your PDF for final reflection at the end of the semester.

When completing the survey, there are no right or wrong answers, so please select the option that most accurately describes your perception or belief for each statement at this point in time.

Answers will be used for pedagogical and research purposes only and will not be considered as part of your grades. However, survey completion is required as part of the course.

The self-report is intended to be used for your own reflection of your mindset from the onset to the completion of the course. Reflection questions are offered below to assist you in this process.

Complete the self-report then review your results and respond to the following questions:

- » Which statements did you find yourself agreeing with and why?
- » Which statements did you find yourself disagreeing with and why?
- » Which statements did you find yourself neither agreeing or disagreeing with and why?

Please rate your level of agreement with the following statements by selecting the option that best describes your perception or belief for each statement at this point in time. On the scale of 1 to 7, “1” is Strongly Agree, “5” is Neither Agree or Disagree, and “7” is “Strongly Disagree.”

Scale:

- 1 – Strongly Agree
